DEDICATION PAGE

MRS. RUTH EVANS

MRS. MATTIE HENDERSON

On behalf of all the students at Clinton Junior High School, past and present, we dedicate our first yearbook to two former teachers who have since passed away.

Mrs. Ruth Evans and Mrs. Mattie Henderson will both be remembered as dedicated teachers and leaders in the field of education at Clinton Junior High. We will miss their leadership as we attempt to carry on with their work. We are proud to dedicate this book to them.

1976 brought with it a National Election and many of our CJHS students participated in the schools simulated governmental election. Mrs. Soice's classes sponsored the activity.

VOTE
VOTE
VOTE

Miss Strohl is shown with three interested students and their class projects.

Our Library workers demand payment for overdue books.

Mr. Wollet, you said this would grow into a tree...What a science teacher!

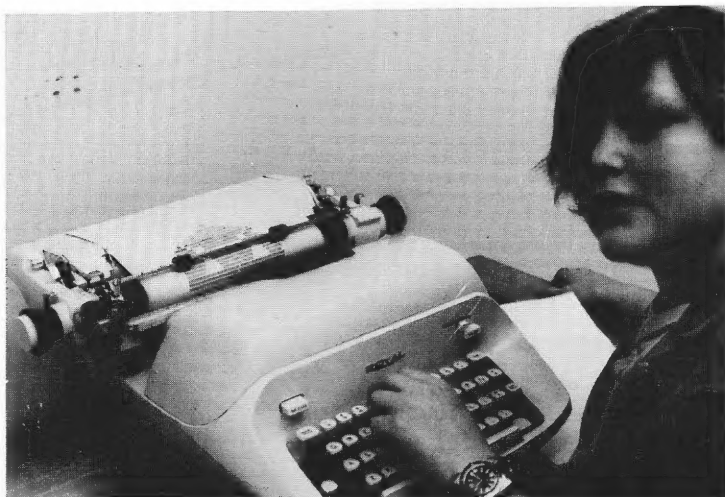

This Social Studies class must be studying the victory in WWII.

Mrs. Welch certainly looks surprised as our camera interrupted her typing class.

Jeff Rimer finally finished a typing project.

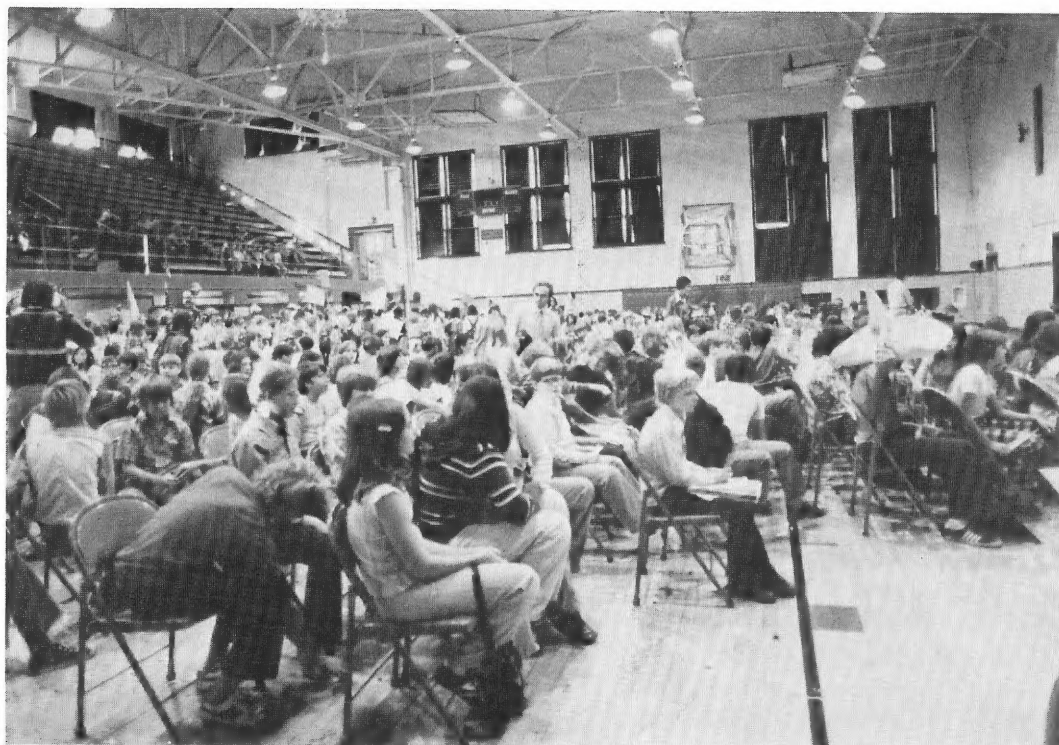

Margie Riddle and her typewriter art.

The beginning of our Student Council elections and convention. We always start on a patriotic note.

The convention floor as the enthusiasm builds...

Mr. Hendrix and Mrs. Davidson tabulate the votes as the coacher looks on.

As always the convention ended with a clean up detail...headed by Kristy Thomas and finished by Mr. Stone.
